

March 16, 2006 Special Agenda

Notice of Special Meeting

City Council

Planning Commission

Historic Preservation Review Commission

Notice of this Special Meeting is given to allow a quorum of members of the above-noted bodies to participate in a Form-Based Codes Workshop. WHEN: Thursday, March 16, 2006 5:00 pm

WHERE: City Council Chambers

250 East L Street

PURPOSE: To provide a presentation on what Form-Based Codes are and how they are different from traditional planning and zoning. How form-based codes are being applied in two Bay Area cities will also be covered, as well as the lessons learned and implementation recommendations.

The following individuals, all of whom are well versed in form-based codes, are currently scheduled to participate in the workshop presentation:

- Steve Lawton, Hercules Community Development Director**
- David Goodison, Sonoma Planning Director**
- Charlie Knox of Crawford, Multari and Clark**
- Dan Parolek of Opticos Design**

MORE INFO: Members of the public are welcome to attend. Please contact the City Manager's Office at (707) 746-4210 for further information
