V. REGULAR AGENDA ITEMS

A. PUBLIC HEARING TO RECEIVE PUBLIC COMMENT ON THE REVISED DRAFT ENVIRONMENTAL IMPACT REPORT (RDEIR) FOR THE VALERO CRUDE BY RAIL PROJECT

Application No. 12PLN-00063 Use Permit

Project Address: 3400 East Second Street; APN: 0080-110-480

Valero Refining Company has filed a use permit application for the Crude by Rail (CBR) project. The proposed Valero Crude by Rail Project would allow the Valero Benicia Refinery (Refinery) access to additional North American-sourced crude oil for delivery to the Refinery by railroad. The proposed Project would involve the installation and modification of Refinery non-process equipment that would allow the Refinery to receive a portion of its crude oil deliveries by railcar replacing equal quantities of crude currently being delivered to the Refinery by marine vessel. Valero intends to replace up to 70,000 barrels per day of the crude oil currently supplied to the Refinery by marine vessel with an equivalent amount of crude oil transported by railcars. The crude oil to be transported by railcars is expected to be of similar quality compared to existing crude oil imported by marine vessels. Crude delivered by rail would not displace crude delivered to the Refinery by pipeline.

A Draft EIR (DEIR) was issued for the project on June 17, 2014. In response to requests made in comments on the DEIR, the City has issued a RDEIR to consider potential impacts that could occur uprail of Roseville, California (i.e., between a crude oil train's point of origin and the California State

border, and from the border to Roseville) and to supplement the DEIR's evaluation of the potential consequences of upsets or accidents involving crude oil trains based on new information that has become available since the DEIR was published. In order to allow the public and interested agencies the opportunity to review this information, the City has elected to recirculate certain portions of the DEIR.

The City of Benicia requires that a public hearing be conducted by the Planning Commission to receive comments on the RDEIR. Public comments received will become part of the public record and included as part of the Final EIR.

Pursuant to CEQA Guidelines Section 15088.5(f)(2), anyone wishing to submit oral or written comments on the RDEIR should limit those comments to the revised portions shown in Chapter 2 of the RDEIR (Revisions to the Draft Environmental Impact Report).

Recommended Action: Take public comments on the RDEIR and if necessary, continue the item to the next date agendized for additional public comment.

VI. COMMUNICATIONS FROM STAFF

VII. COMMUNICATIONS FROM COMMISSIONERS

VIII. ADJOURNMENT

Public Participation

The Benicia Planning Commission welcomes public participation. Pursuant to the Brown Act, each public agency must provide the public with an opportunity to speak on any matter within the subject matter jurisdiction of the agency and which is not on the agency's agenda for that meeting. The Planning Commission allows speakers to speak on agendized and non-agendized matters under public comment. Comments are limited to no more than 5 minutes per speaker. By law, no action may be taken on any item raised during the public comment period although informational answers to questions may be given and matters may be referred to staff for placement on a future agenda of the Planning Commission.

Should you have material you wish to enter into the record, please submit it to the Commission Secretary.

Disabled Access

In compliance with the Americans with Disabilities Act (ADA), if you need special assistance to participate in this meeting, please contact the ADA Coordinator, at (707) 746-4211. Notification 48 hours prior to the meeting will enable the City to make reasonable arrangements to ensure accessibility to this meeting.

Meeting Procedures

All items listed on this agenda are for Commission discussion and/or action. In accordance with the Brown Act, each item is listed and includes, where appropriate, further description of the item and/or a recommended action. The posting of a recommended action does not limit, or necessarily indicate, what action the Commission may take.

The Planning Commission may not begin new public hearing items after 11 p.m. Public hearing items, which remain on the agenda, may be continued to the next regular meeting of the Commission, or to a special meeting.

Pursuant to Government Code Section 65009; if you challenge a decision of the Planning Commission in court, you may be limited to raising only those issues you or someone else raised at the Public Hearing described in this notice, or in written correspondence delivered to the Planning Commission at, or prior to, the Public Hearing. You may also be limited by the ninety (90) day statute of limitations in which to file and serve a petition for administrative writ of mandate challenging any final City decisions regarding planning or zoning.

Appeals of Planning Commission decisions that are final actions, not recommendations, are considered by the City Council. Appeals must be filed in the Community Development Department in writing, stating the basis of appeal with the appeal fee within 10 business days of the date of action.
