*P3a. Description:

This residence was originally constructed circa early 20th century. A residence of similar form appears on the 1913 -1942 update Sanborn Map at the same location. It has been substantially altered from its original historic appearance and no longer conveys its significance as a contributor to the Benicia Downtown Historic District. Changes include complete alteration of original cladding and alteration to porch and entry. Elements of the original roof structure and gable treatment are still present. The building lacks integrity of design, materials, workmanship, association and feeling.
