**\*P3a. Description:**

This residence was originally constructed as Queen Ann style cottage circa late 19<sup>th</sup> century. A residence of similar form appears on the 1913 Sanborn Map at the same location. It has been substantially altered from its original historic appearance and no longer conveys its significance as a contributor to the Benicia Downtown Historic District. Changes include complete alteration of original cladding and substantial alteration of the porch to a later period style with a concrete floor and stair and Spanish Style arched openings. The gable end treatment and projecting wing fenestration appears original. The building lacks integrity of design, materials, workmanship, association and feeling. There is no survey form for this building from the 1986 survey.
