*P3a. Description:

This residence was originally constructed as Italianate single-story cottage circa 19th century. A residence of similar form appears on the 1891 and 1913 Sanborn Maps at the same location. It has been substantially altered from its original historic appearance and no longer conveys its significance as a contributor to the Benicia Downtown Historic District. Changes include complete alteration of the original façade with enclosure of the original porch space and reorientation of entries to the sides of the building. Original cladding has been replaced and attached arched entry gates added on both sides of the front elevation. The building lacks integrity of design, materials, workmanship, association and feeling.
