***P3a. Description:**

This residence was originally constructed as a Queen Anne cottage circa the late 19th century. A residence of similar form appears 1913 Sanborn Map at the same location. It has been substantially altered from its original historic appearance and no longer conveys its significance as a contributor to the Benicia Downtown Historic District. Changes include complete alteration of original cladding, replacement of windows and removal and replacement of original stair with a stair of modern design and materials. The building lacks integrity of design, materials, workmanship, association and feeling.
