*P3a. Description:

This property was originally constructed as single-story false front commercial building in the late 19th or early 20th centuries. A building of similar form appears on 1913 Sanborn Map at the same location and is noted as a drugstore. It has been substantially altered from its original historic appearance and no longer conveys its significance as a contributor to the Benicia Downtown Historic District. Changes include major alterations to the front façade including replacement of original siding with used brick. Replacement of the original eave brackets, replacement of the front windows and doors and installation of shed roof awnings over the side elevation windows. The building lacks integrity of design, materials, workmanship, association and feeling.
