

# Valero Refinery Odor Incident

## Update 4

**March 25, 2024**

According to the [Benicia Hazardous Materials Incident Notification Policy](#) which is memorialized in the [Benicia – Valero Cooperation Agreement](#), the February 24, 2024 odor incident at the Valero Refinery reached the threshold for a Level-3 incident. As such, Valero is required to submit a [30-day report](#) to the City. The 30-day report was received and is posted to the [Incidents](#) page of the City of Benicia [Public Information Bank](#).
