

EASTERN GATEWAY STUDY AREA

EASTERN GATEWAY STUDY AREA

The City of Benicia is looking to change the rules for land use and development in the area outlined below in an effort to encourage new housing.

We are just beginning work on this project and we need your help! It is important that this effort reflect the interests of the community. We hope that you attend our first Community Meeting this Fall and let us know what you envision for your neighborhood.

For the latest information, visit www.ci.Benicia.ca.us/easterngateway.
