NOTIFICATION OF FLARING

***Information Only**

The Valero Refinery informed the Benicia Fire Department that a unit at the Refinery tripped yesterday, necessitating the operation of their flare stacks for a duration exceeding 15 minutes. They flared yesterday and will continue to flare intermittently throughout the day today. Benicia Fire Department staff will continue to monitor the situation. We currently do not anticipate any off-site health impacts.

We will notify the community if there are any significant changes.
