

Level 1 Notification

November 17, 2021

INCIDENT NOTIFICATION - Non-Emergency:

The Valero Benicia Refinery has notified the City of Benicia that they experienced a minor issue at their refinery coke silo that resulted in an elevated temperature and minimal on-site smoke. Although it is not anticipated that there will be any community health impacts, the Benicia Fire Department will continue to monitor and stay in communications with Valero.

Any significant changes will be communicated to the public through additional community alerts.
