

Level 2 Notification

November 7, 2022

NOTIFICATION OF RELEASE - Non-Emergency:

*Information Only

The Valero Refinery has notified the Benicia Fire Department that they experienced a mechanical issue with a unit that caused a release of SO₂ above reportable quantities. The Benicia Fire Department staff will continue to monitor the situation, and no off-site health impacts are anticipated.

Governor's Office of Emergency Services – Hazardous Materials Spill Update:
