

# COURTESY NOTICE

## CITY OF BENICIA COMMUNITY MEETING

### COMPREHENSIVE CITYWIDE USER FEE STUDY

Since 2013, the City has been working with NBS to complete a Citywide User Fee Study. Many of these fees are for services that benefit an individual or group, and may not be fully supported by tax revenue. The benefits to reviewing and updating these user fees are to:

1. Reduce General Fund subsidy
2. Better support department funding
3. Set realistic expectations for cost recovery

#### Attend the Community Meeting

**When:** Monday, May 15<sup>th</sup> - 6:00 p.m.

**Where:** Benicia Public Library – Dona Benicia Room, 150 East L Street

**Why:** Review the status of the Comprehensive Citywide User Fee Study and discuss the **Process, Methodology, and Updated Fees** with **City Staff** and **Consultant**. These user fees include charges for services provided by the following Departments or Divisions in the City of Benicia:

Building, Engineering, Finance, Fire, Library, Planning, Police

The City Council provided direction to staff on April 25, 2017 in preparation of the final Fee Study being brought before Council for adoption (tentatively scheduled for May 23, 2017).

**Visit the Project Webpage** [www.ci.benicia.ca.us/userfeestudy](http://www.ci.benicia.ca.us/userfeestudy) for more information
