Site Plan Example

When applying for a building permit, please include three copies of a site plan which meet the following basic requirements.

Please include:

1. Minimum paper size of 11 x 17"
2. Project property address
3. Property owner's name
4. Assessor Parcel Number
5. Property size in square feet
6. Description of proposed work including square footage
7. Draw the property lines, location of all existing structures including house, garage, carport, sheds, decks, patios and pools
8. Draw the outline of the proposed work including additions to house, shed, deck, patio and pool. Include the dimensions (width and length) of the proposed structure. Show the distance between the proposed structure and property lines as delineated in the attached sample
