Agnes,

I have attached 4 pages from the RRR that discuss these references. Are you the right person to request this information from?

Randy

Hi Randy,

I'm the new project manager for the Benicia Arsenals site and I received your request for references from the Records Research Report dated April 1999. The RWQCB does not have copies of the references you requested. I also did not find references 313, 314, 315, 317, 319 and 320 listed in the References section of the Records Research Report.

Please let me know if I can be of further help. You should receive a letter soon with my contact information.

thanks,

To whom it may concern:

Historic Arsenal Park, Unico Services, Inc., and RAB board member Randy Potter formally request a single copy of the following references from the Records Research Report that are mentioned in the report but not provided in the appendix:

References - 30, 37, 42, 56, 113, 134, 197, 313, 314, 315, 317, 319,
320, 345

Please let me know if you can accomplish this for me. I would appreciate it as this information relates to property that I either am an owner of or have managerial responsibility over. Should cost for production of these items be an issue I am open to discussing payment of costs.

I can be contacted at (707) 745-4540.

Thank You,

Randy Potter
