Mark, here is a copy of the insurance schedule I found in our closed claim file for the prior claim with the City involving the Acme Landfill. Due to the confidential nature of this document, please do not forward it to anyone other than the City. As you will see, it referenced nine alleged policies issued by American Insurance Company, in effect from 3/5/53-62. There was no information in this closed claim file concerning these alleged American Insurance Company policies other than the attachment. Can you please check with the City to see if they have anything in their records concerning these alleged policies? Also, I have initiated an internal policy search, but due to the alleged policy period(s), it is doubtful I will be able to find anything, but will let you know. In the interim, American Insurance Company reserves all of its rights in this matter.

If you can't reach me on my office phone below, you can always try me on my cell at 925-817-7671.

Thanks,
Scott
