Dear Ladies and Gentlemen:

The Department of Toxic Substances Control (DTSC) proposes to schedule a coordination meeting on Monday, September 15, 2014 at 1:00 PM at DTSC's Sacramento field office. As stated in the 60 day extension letter sent July 15, 2014, the addressed parties (Parties) are to meet to discuss the settlement of the Order.

The purpose of the coordination meeting is to provide an opportunity for the Parties to sit down together and establish the roles and settlements needed to implement the Order. It is expected that prior to the meeting the Parties will be in contact and sharing ideas with each other during the extension period.

Please indicate your ability to attend the meeting by responding to this invitation by email. If the above meeting proposal does not work for any of the Parties then the Parties are to confer with each other and propose an alternate time. DTSC provides a list of current open dates below for the rest of the week should rescheduling be necessary. When a date and time is confirmed by all participants, DTSC will send a confirmation email and send additional meeting location information.
