***P3a. Description**:
This residence was originally constructed as hip roof, possibly Italianate, cottage circa late 19th or early 20th centuries. A residence of similar form appears on the 1891 and 1913 Sanborn Maps at the same location. It has been substantially altered from its original historic appearance and no longer conveys its significance as a contributor to the Benicia Downtown Historic District. Changes include complete alteration of original cladding, replacement of all windows and doors, partial enclosure of porch and replacement of original porch including covering and rail, replacement of front stair and insertion of a lower level garage on the front elevation. The building lacks integrity of design, materials, workmanship, association and feeling.
