***P3a. Description**:
This residence was originally constructed as pyramidal vernacular house circa late 19th or early 20th centuries. A residence of similar form appears on the 1891 and 1913 Sanborn Maps at the same location. It has been substantially altered from its original historic appearance and no longer conveys its significance as a contributor to the Benicia Downtown Historic District. Changes include complete alteration of original cladding, replacement of all windows and doors, enclosure of front entry, complete remodel of south façade along Gullpoint. The building lacks integrity of design, materials, workmanship, association and feeling.
