

II. LIST OF COMMENTING AGENCIES, ORGANIZATIONS AND INDIVIDUALS

This chapter presents a list of comment letters received during the public review periods and describes the organization of the letters and comments that are provided in Chapter III, Comments and Responses, of this document.

A. ORGANIZATION OF COMMENT LETTERS AND RESPONSES

Chapter III includes a reproduction of each comment letter received on the Draft EIR and the minutes of the Planning Commission meeting at which verbal comments were provided. The written comments are grouped by the affiliation of the commenter, as follows: State, local and regional agencies (A); organizations (B); individuals (C); public hearing comments (D); and comments received on the recirculated sections (E).

The comment letters are numbered consecutively following the A, B, C, D, and E designations. The public hearing transcript is included, and has a D designation. The letters and the minutes are annotated in the margin according to the following code:

State, Local and Regional Agencies:	A1-#
Organizations:	B1-#
Individuals:	C1-#
Public Hearing Comments:	D1-#
Comments on Recirculated Sections:	E1-#

The letters are numbered and comments within that letter are numbered consecutively after the hyphen.
