

Clock Tower Proposed Seating Arrangement

Maximum Capacity Seating: 536 people
 Maximum Capacity Standing (no table/chair set up): 601 people

KEY to seating configuration

-  2 tables @ 8 ft each = 16 people
-  3 tables @ 8 ft each = 24 people
-  4 tables @ 8 ft each = 32 people

SEATING SPECIFICS, PER CALIFORNIA FIRE CODE:

- 48 inches required between rows of tables
- 6 feet needed between tables and stairs at west of building
- 44 inches minimum for all aisles
- 72 inches needed between bar area and any tables
- 72 inches requires between kitchen door area and tables
- No chairs or tables may be placed within 3 feet of the wall. There must be a 3 foot perimeter around the entire floor area for easy access to exits
- See Clock Tower policies for loose chair set-up regulations

INSIDE HEIGHTS: Floor to ceiling beams: 13'9"

Floor to wires for hanging fabric: 11'2"

Floor plan is not to scale. Please visit the facility during open viewing on Tuesdays from 5-7pm to confirm measurements for your event and set up.
