Tim/Corey/Charlie:

Attached are the latest preliminary project drawing updates:

32-000-04D-89411, Rev E – Rail Car Unloading  
32-000-04D-89412, Rev C – South Avenue A to Gate 4  
32-000-04D-89414 – Rev F – Sections & Details

These updates incorporate the following revisions since the previous submittals:

1. Track layout: Replaced 'we track' with 'departure track', northern end of railcar unloading racks moved north.
2. Removed containment wall near Tk1820
3. Added 20' Service Road between railcar unloading rack and tank dike
