

II. LIST OF COMMENTING AGENCIES, ORGANIZATIONS AND INDIVIDUALS

This chapter presents a list of comment letters received during the public review period and describes the organization of the letters and comments that are provided in Chapter III, Comments and Responses, of this document.

A. ORGANIZATION OF COMMENT LETTERS AND RESPONSES

Chapter III includes a reproduction of each comment letter received on the Draft EIR. The written comments are grouped by the affiliation of the commenter, as follows: State, local and regional agencies (A); organizations (B); individuals (C); and public hearing comments (D).

The comment letters are numbered consecutively following the A, B, and C designations. The public hearing transcript is included, and has a D designation. The letters and the transcript are annotated in the margin according to the following code:

State, Local and Regional Agencies:	A1-#
Organizations:	B1-#
Individuals:	C1-#
Public Hearing Comments:	D1-#

The letters are numbered and comments within that letter are numbered consecutively after the hyphen.
