

Record #	Record Type	Address	Permit/License Issued Date	Complete Description of All Proposed Work:
ENC-24-75	Encroachment Permit	1101 West Second Street, Benicia, CA 94510	May 1, 2024	The job is to replace the water line from the meter to the main shutoff on the side of the house:1.) The technician will obtain two permits from the City of Benicia: A.) Waterline Replacement permit and a B.) Encroachment Permit.2.) The technician will contact 811 to come and mark all and any cables, pipes, and utilities that may run on the near location where the water line runs through.3.) The technician will remove bricks from the driveway and dig a trench that includes a portion of the sidewalk, approximately 3 feet by 2 feet of the sidewalk. Within the trench, the technician will replace the main water line from the meter to the side of the house and run a new copper pipe from the meter to the main shutoff; when that is done, the technician will pour new sand and reset the driveway bricks. This is a three-man job.
