Suisun Marsh Habitat Management, Preservation, and Restoration (SMP)

SCH Number: 2003112039

Document Type: NOD - Notice of Determination

Alternate Title: Habitat Management, Preservation, and Restoration Plan for the Suisun Marsh, Solano County, California

Project Lead Agency: Fish & Game #3

Project Description

The project is located in the Suisun Marsh. The Suisun Habitat management, Preservation, and Restoration Plan, is being pursued by the Suisun Principal Agencies, a group of agencies with primary responsibility for Suisun Marsh management, and is intended to balance the benefits of tidal wetland restoration with other habitat uses in the Marsh by evaluating alternatives that provide a politically acceptable change in Marshwide land uses. It relies on the incorporation of existing science and information developed through adaptive management.
