**Press Conference: Valero Incident
City of Benicia**

Benicia, CA (May 5, 2017): City officials announce that the evacuation of the Benicia Industrial Park has been lifted effective at 5:30 PM. Steps are being taken to open the Park and off-ramps from I-680.

“I thank City staff, our residents and business community, and Benicia Unified School District for their quick response to this incident.” said Lorie Tinfow, City of Benicia City Manager. We appreciate the cooperation of the Benicia Industrial Park property and business owners.”

We will continue to provide updates as needed on the City of Benicia website: www.ci.benicia.ca.us and on social media.
