PORTION OF LAKE HERMAN ROAD CLOSED FOR PIPELINE REPAIR Motorist Encouraged to Detour on Reservoir Road

Benicia, CA (December 26, 2020) — Lake Herman Road has been closed to traffic from west of Northgate Church, 2201 Lake Herman Road, to Reservoir Road due to a water leak near Benicia Water Treatment Plant.

Around 3 a.m. on Christmas morning, water treatment plant operators became aware of a leak in a pipeline. Staff immediately took measures to assure continued quality water provision to Benicia residences and businesses.

Public Works staff note that it may take 10-14 days to repair the leak. Until repairs are completed, Lake Herman Road will remain closed to through traffic between Northgate Church and Reservoir Road. Motorist may use Reservoir Road to detour to East Second Street.

Contact Public Works Director William Tarbox at wtarbox@ci.benicia.ca.us with questions or comments.
